

## Polish & Sealant

Part #: 15165

### Directions

1. Shake bottle well before use.
2. Wash and dry vehicle.
3. Pour polish onto a slightly dampened cloth or applicator and apply one section at a time using a firm overlapping motion.
4. When dry haze appears, buff off with a clean, soft, dry towel or polishing cloth.
5. With a buffer, apply product sparingly to surface and buff to high gloss.

**CAUTION:** Avoid contact with eyes. In case of contact with eyes, immediately flush with water for at least 15 minutes. If irritation persists, call a hospital emergency room or doctor. Contains petroleum distillates. Harmful or fatal if swallowed. Keep out of reach of children and pets. Please consult the Safety Data Sheet (SDS) for full details.
